City of Elba prepares to implement new amended solid waste ordinance

by Linda Hodge, Publisher

During the Feb 24th Elba City Council meeting, an amended solid waste ordinance was approved by the council. Now, the city is moving forward with getting things in place for that new amended ordinance to take effect, which does make notable changes to the former ordinance.

"Now that our trash trucks are back up and running, we are moving forward with the new ordinance for trash pickup," city clerk Sally Bane said. "The amended ordinance is being published this week in the newspaper so we meet the legal requirements for it."

The city also is working with Mark Dunning Industries (MDI) for that company to take over the solid waste pickup services for Elba. The council voted earlier this month to contract with MDI for those services.

The city will continue the trash pickup services.

"There is going to be a learning curve with this new

amended ordinance," Bane said. "I encourage all citizens and business owners to read the ordinance to get a better understanding of the changes being made."

As for trash pickup [items placed by the side of the road by homeowners], the city no longer pickup rubbish, furniture, mattresses, appliances, electronics, metal, tires, shingles, or any other household or construction material placed on the curb. Only leaves, limbs, and prunings shall be placed behind the curb for pickup under the new ordinance. Limbs must be no longer than six feet in length and six inches in diameter.

The ordinance also will bring new rates and charges for solid waste and trash collection services. Becoming payable on April 1, 2025, \$19 per month will be the solid waste collection fee for each dwelling house, mobile home, trailer or other occupied dwelling. This is an increase from \$18. Also, for those with more than one container, there will be a charge of \$16 per month for the

additional container(s) [an increase of \$4].

One of the larger changes regarding fees with the new ordinance comes with pickups for businesses. The one time per week pickup fee for businesses will remain \$25, but additional pickups will see increases in the fees. Two times per week will increase from \$30 to \$45; three times from \$35 to \$60; four times from \$40 to \$75; and five times from \$45 to \$85.

Bane said she is concerned that some businesses with multiple pickups per week will see the increases and be shell-shocked; however, she said anyone with a concern should contact city hall to discuss.

"I want to get the word out to the business owners with multiple weekly pickups to please call us and let's look at your individual needs," Bane said. "They might need a different container size or less pickups to make it more affordable. We may be able to come up with a better plan for each business. We just need to look at the specific needs."

In accordance with Elba Ordinance Section 62-36 (9) be it resolved that the City of Elba Council sets the rate for business and commercial establishments as follows:

Container Size	Number of Pick-Ups Per Week				
	1	2	3	4	5
95 Gallon Cart*	\$25.00	\$45.00	\$60.00	\$75.00	\$85.00
4 Yard	\$85.00	\$150.00	\$215.00	\$305.00	\$365.00
6 Yard	\$125.00	\$205.00	\$315.00	\$410.00	\$510.00

Shakespeare named principal of Elba High School

During the monthly board meeting held Tuesday, March 18, Elba Board of Education members approved the recommendation of superintendent Donny Powell naming Daniel Jermaine Shakespeare as new new

principal for Elba High School.

At the time of this appointment, Shakespeare was employed with Elba City Schools as a teacher.

Also, during the meeting, board members accepted the retirement/resignation

of Marc Sieving as a teacher and coach at Elba High School. He was serving as the head football coach at the time of his retirement.

Board members approved the school calendar for the 2025-2026 school year, and they voted to approve the annual textbook adoption list.

During a recent school board member conference, the school leaders became familiar with Dr. Lana Bellew, and during the March 18th board meeting, the superintendent recommended the board contract with Dr. Bellew for her grant writing services. After a year, the board will review that contract to decide whether to retain Bellew's services or not.

An out of state trip for FCCLA was approved. Several members of that organization will be attending the national conference over the summer in Orlando, Fla.

During the Miss Huntingdon Pageant held March 8th in Montgomery, Kinston native Blair Wyrosdick, a junior majoring in cell biology pre-health and psychology, was named Miss Congeniality. Wyrosdick is a member of Alpha Omicron Pi sorority, in the Order of Omega, Phi Eta Sigma, and Omicron Delta Kappa honor societies, an SGA Senator, student recruiter, and a Huntingdon Cheerleader. Her philanthropy was the Ronald McDonald House Charities. She is the daughter of Jamie and Lougene Wyrosdick of the Basin community.

CONSTRUCTION ON THE RISE IN ELBA...During the Elba City Council meeting held Monday night, March 24, city clerk Sally Bane presented some numbers she said she found interesting. Bane said Elba's code officer Bryson Dear had completed a survey the week prior that showed the city had six new residential structures constructed last year for a total of \$2.24 million. Bane said that was new residential builds alone, not including remodels. As for commercial structures, she said the city had a little over \$550,000 in construction last year, but this year already had seen \$1.3 million invested in commercial construction. Also, she said the construction of four new residential structures have been planned already this year. The city clerk said those numbers signify the city is growing far better than it has been in recent years. The photo above shows construction underway for the Jack's Restaurant being built now in the City of Elba.

Luncheon Pilots hold annual "Radio Day" fundraiser

The Luncheon Pilot Club of Enterprise recently held its annual Radio Day fundraiser on WBTF FM 94.7 and 96.3 in Troy.

The Luncheon Pilot Club is part of the International Pilot Organization whose main emphasis is on helping people affected by brain related disorders.

Wiregrass merchants have once again shown their support for this major fundraiser by sponsoring radio ads that were read over the air by Luncheon Pilot Club members.

This is the major fundraiser for the club. These funds will be given back to the Enterprise community to include Habitat for Humanity, BrainMinders Programs, Special Needs Christmas Party, Banana Bingo at Enterprise Nursing Home, Wiregrass Wounded Veterans Committee, Disabled Americans

Veterans Transportation Project, sponsor a Coffee County resident to attend the Alabama Special Camp for Children and Adults, sponsor an individual to attend the Traumatic Brain Injury Camp, Hand Up Enterprise, Sheriff's Posse, Retirement Center Project, Coffee County Arts Alliance, WEPS, Boys and Girls Club-Enterprise, Dolly Parton's Reading Initiative, and other worthwhile projects that may come up during the year.

Project Lifesaver, which is funded by LCPE, is managed by Reserve Deputy Calvin Bookout of the Coffee County Sheriff's Department. Locator bracelets are put on individuals who are autistic or have a tendency to wander. When a caregiver notifies the sheriff's office that the individual has wandered off, they

are able to track them by their bracelet, often having the potential to save lives.

As many as 20 individuals are being monitored by the Sheriff's Department at any given time and each bracelet is checked monthly by Officer Bookout to replace the batteries.

Each year club members strive to conduct an educational program for second-graders in the elementary schools in Enterprise titled, "Brain Minders-Protecting Your Brain for Life", which impacts the lives of more than 650 students.

A special thank you goes out to WBTF station managers John and Stephanie McCall for allowing the group to read the ads.

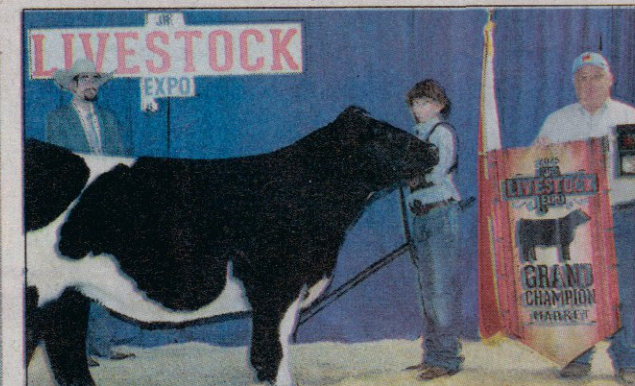

For more information about becoming a member of the Luncheon Pilot Club, contact Bonnie Gilmore at bonjean4260@gmail.com.

Windy Thoughts

with Linda Hodge, Publisher

The Coffee County Lake came up for discussion again this week during the Elba City Council meeting. Mayor Tom Maddox said he had received a contract from the state for review, and he had also sent the contract to Coffee County administrator Rod Morgan and City of Elba attorney Bart Boothe for their review as well. Again, the mayor noted that the county is eager to get the old buildings (including the old bait shop) torn down and out of the way. He said Morgan had indicated the county would then put some type of temporary building in place for office operations to take payments, etc. to allow for the lake to be reopened to the public for use. No one has given a date for when any of this will happen, but at least it seems things are moving in the right direction finally. If all the folks that have called our office inquiring about the lake go out there to fish when it does reopen, it should be a busy place!

The one thing we really don't understand while on the county lake topic is the City of Elba's need to remain 'involved' in the project now. Based on something the city attorney said Monday night at the council meeting, the contract from the state reads that daily operations/management of the county lake will fall under the shield of the county once the facility is reopened. We realize Elba took over operations of the lake years ago to prevent it from being shutdown. However, now that the county is interested in being involved again and wants to work with the state, we think it would make good sense for the City of Elba to step aside and just let the Coffee County Lake be a joint operational effort between state and county. Hey, that would be one less thing for the city folks to have to worry with on a daily basis. The way we see it...sometimes there can be too many involved in a project and create more issues than resolutions. As for the county lake, it is a property of the state that sits within the county (not the city limits)...so...it just seems appropriate at this juncture for it to be a county/state project. Maybe we are missing something here that suggests the city should stay involved with the project, but we just don't see it clearly. Either way, the good news is that maybe sooner rather than later the lake will be open again, and that is what we all should be excited to hear!

What does the Bible say about...
Christian's Conduct?

Article written by Douglas Williams

"For we do not have a High Priest who cannot sympathize with our weakness, but was in all points tempted as we are, yet without sin" (Hebrews 4:15; Matthew 4:1-11).

"For to this you were called, because Christ also suffered for us, leaving us an example, that you should follow His steps: who committed no sin, nor was deceit found in His mouth" (1 Peter 2:21-22).

"And you know that He was manifested to take away our sins, and in Him there is no sin" (1 John 3:5).

"Therefore, whatever you want men to do to you, do also to them" (Matthew 7:12).

When we have a question about something, we should think about "What Would Jesus Do?" I wanted us to think about this good idea. We have seen the letters WWJD written, or maybe on a bracelet, etc.

The above verses show us the perfect example of Jesus; how we are to follow Him; and always practice the golden rule.

Consider the following guidelines when deciding if something is right or wrong:

1. The Personal Test: Will doing this make me a better or worse Christian?

2. The Social Test: Will doing this influence others to be a better or worse Christian?

3. The Practical Test: Will the results of my doing this be desirable?

4. The Universal Test: If everyone should do this, would it improve or degrade society?

5. The Scriptural Test: Does the Bible endorse it, or is it expressly forbidden by the word of God?

"No temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it" (1 Corinthians 10:13).

"Prove all things; hold fast what is good. Abstain from every form of evil" (1 Thessalonians 5:21-22).

Cuzin Lou Lou's
Tales from Yonder

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

'Ole Papa celebrated a birthday on Wednesday of this week, and Cuzin Lou Lou must admit that Papa gets around pretty darn good for a 77-year-old fella!

Knowing Papa would be busy with church things on the night of his birthday, Lou

Lou and Sister decided to take Papa out to eat last Saturday night for his upcoming birthday. The meal of choice was pizza!

Lou Lou and Sister considered taking Papa for a 'niceer' meal than that of pizza, but they agreed the best thing to do was take him somewhere he would really enjoy. And, if Papa could eat exactly how he wanted everyday he most likely would have pizza at least one meal each and every day.

When the gang arrived at the restaurant, Lou Lou asked Papa what kind of pizza he wanted. In true Papa fashion his answer was, "just pick something."

They had it narrowed down to two options when the waiter arrived at the table to take the order, so, Lou Lou took it upon herself to handle it.

"Made an executive decision I see," Sister said as the waiter walked away.

"Yep!" Lou Lou replied. "Otherwise, we'd have been here another 10 minutes before a final decision was made."

The pizza included honey ham, bacon, caramelized onions, jalapenos, and pineapple. When the waiter first set the pizza on the table, it got a few questionable looks from Sister and Papa, but after the gang finished the meal, each had to admit that Lou Lou had made a great choice!

"Naturally!" Lou Lou said. "I know good food!" That garnered an eyeroll from Sister, and Papa just laughed. It was a fun trip to grab some pizza and celebrate the big guy! Lou Lou and Sister are blessed to call Papa theirs, and they each hope the good Lord lets him hang around for many more birthdays to come! Until next time...God Bless and Keep Smiling!

Divine Deliverance

Today's auto thieves steal cars on order from unethical repair shops that need parts for specific cars. They deliver cars to "chop-shops" where they are cut up for resale as parts that cannot be easily traced. Expensive brands of cars are stolen and smuggled out of the country for sale to foreign buyers. Now the "good guys" have a new, electronic weapon in their arsenal: a device hidden on a car can be activated by the police when the vehicle is reported stolen. The signal can be accurately traced, and the thieves unwittingly deliver themselves into the hands of the law. The forces of Sisera were up against a force far more powerful than an electronic stolen car tracer. They were doomed to failure when they went into battle against the army

of Israel, led by Deborah and Barak. Sisera opposed the plan of God for Israel. Because God was watching over Israel, he would give Sisera into their hands. God's purpose will be accomplished. We, his people, should be sure that we are living within his will so we may prosper by his deliverance. — C.R.B.

Helping Children Through the Loss of a Parent

There's nothing more heartbreaking than when a young child loses a parent. For the surviving parent, who must help their child navigate grief while also going through their own season of mourning, it can be an especially challenging circumstance.

In fact, many parents believe their primary role is to protect their child from feelings of intense sadness, and to project an image of strength; as such, they try to keep their grief private. Actually, it can be healthy for your child to see you shed tears or mourn in some other way. It helps them to understand what they are going through is normal, and it's okay for them to express their sadness in whatever way is natural to them.

Some parents also try to avoid the topic of grief, leaving it as the unmentioned elephant in the room. Again, this inclination comes from a good place, but may actually be counterproductive. If your child feels like they cannot talk about death or grief, the effect can be isolating. Always be ready to ask questions and have conversations, but let the child set the tone; if they're not yet ready to talk, there's no need to force it. More than anything, it matters that you listen and you reassure your child that you love them and are going to take care of them. Journey with them through stages of grieving, understanding the death of a parent is never anything you "get over." At the same time, try to create a sense of normalcy; maintain as many of your regular rituals and activities as possible, helping your child see that even in grief, there are still things to feel joyful about.

While being with all our family for a few days at the beach is a great way to spend spring break, another highlight for me was telling Alexa to cancel my 5:15 a.m. wake up calls for five straight days. Hey, spring break is special no matter how old you are!

For what it is worth....

*** *Spring break came at a good time* for both the Elba Tigers and Lady Tigers as both teams will get the chance to rest up and refuel heading down the home stretch of the season. The Tigers got off to a fast start this season, but have lost six straight games by a combined score of 85-13 and are winless in area series with only one series left. I wrote the Tigers off last season and they battled back to make the playoffs. So, c'mon guys, anything is possible when you wear the black and gold. The Lady Tigers entered the break mired in a five-game losing streak, including four games in a tournament in Andalusia. However, the Elba girls played some of the best teams in the state at the tournament and gained a wealth of experience that should pay dividends down the stretch.

*** *While some teams get in some extra games* during spring break, it is always a good time to look back and see just where they stand. In baseball, Brantley owns a 5-2 record and while the Bulldogs aren't quite as dangerous as years past, all they know how to do is win, and you can bet they plan on winning more than their share of games in weeks to come. Kinston stands 6-3 for the season and while the Bulldogs are a very young team, they have played a bunch of games in both varsity and junior varsity action and could be a team to keep an eye on. New Brockton sits at 7-7 at the break and has been through somewhat of a see-saw season with a lot of area series left to play, but has proven over the years that it is a winner and there is no doubt the Gamecocks are determined to keep winning. Zion Chapel is 9-7 for the season and has been one of the top teams in the area as of late with four straight wins, including an area series win over Luverne, and it looks like the Rebels are reloading for a big finish. Over on the softball field, Brantley carried a 10-6 record into the break, and while the Lady Bulldogs aren't quite as unbeatable as in years past, they always expect to win and remember how it is done. Kinston headed into the break with a 19-6 record, may be even better than in the past couple of years and if the Lady Bulldogs keep on improving they could very well finally punch a ticket back to the big dance in Oxford. New Brockton carried a 3-10 record into the break, and while the record is more than a little disappointing, the Lady Gamecocks have begun to get better every time they take the field and should add more wins along the way in the weeks to come. Zion Chapel was one of the biggest surprises in the state a year ago, and while the Lady Rebels stand at just 7-9 at the break, they have played perhaps the toughest schedule of any 3A teams in the state and are much better than any realize.

*** *I talked with former Elba Tiger head football coach Marc Sieving* last week and he wanted me to make sure that everyone in Elba and all the Tiger fans knew how much he appreciated their support during his time with the Tigers, and that even though all the wins were nice for the players, coaches and fans, the friendships he made were even better, and that he will always be an Elba Tiger! Coach Sieving stated that with 27 years in education in Alabama public schools he had been looking for a possible move that would allow him to 'double dip,' and that while he turned down a head coaching job in Florida, the chance to stay at home in Enterprise and coach in Dothan was too good to turn down. The former Tiger coach admitted there was a lot of work to do at Northside Methodist, but said there was a huge turnout for a parents meeting after he took the job and that the administration was determined to help build a winning football program. It is true Coach Sieving has a lot of work to do, but my guess is that he is the right man for the job and the Knights will be back sooner than later.

*** *In closing....* The NCAA may be all but dead in the water when it comes to college football, but when the conversation turns to college basketball the association is the king of the hill with an estimated revenue of over \$900 million, just for the tournament. While per game payouts may go the conferences, at a rate of \$2 million per win, the teams obviously get their share of the pot and this year it is estimated the SEC can make over \$30 million from its team in the event. Now you know why more and more games are on cable networks and are no longer free for fans of the sport.

The Elba Tigers traveled to Zion Chapel last Monday afternoon for a junior varsity/varsity doubleheader against the Zion Chapel Rebels and headed back home after being swept as the JV Tigers lost 8-6 and the Tigers were shutout 10-0.

In varsity action, Zion Chapel jumped out to a quick 1-0 lead in the opening inning after John Foster Hamm doubled and later scored on a passed ball, and while Elba threatened in the second on a base hit by Powell Bane and a walk to Matthew McCart, the Tigers came away empty-handed and then watched as the Rebels combined two hits with two walks and two errors in the bottom of the inning to push their lead to 6-0.

Elba's Brady Johnson ripped a two-out double in the third, only to be left on base, and the Rebels maintained their 6-0 lead through four innings before adding two runs in the fifth thanks to three walks and an rbi single by Gunner Jacobs, and combined one hit and two walks in the sixth to add two runs and claim the 10-0 win.

Brady Johnson had 2 hits and Powell Bane added 1 hit to lead Elba at the plate, while Bane, Easton McKelvy and Johnson combined to pitch five and one-third innings and

The Elba Tigers hosted the Brantley Bulldogs Thursday afternoon in an area doubleheader and saw their losing streak reach six games as they dropped both games of the twinbill 18-8 and 19-2.

In the 18-8 opener, both teams came out ready to play and after an hour long first inning saw the scoreboard read 6-6. Brantley got off to a fast start as the first four batters reached on three walks and a hit batter, followed by a 2-run single by AJ Kilpatrick, an rbi single by Thomas Whitehurst and a two-rbi double by Greyson Goodwin. Elba bounced back in the bottom of the inning as the Tigers plated six runs of their own to pull even at 6-6. A leadoff single by Jay Wilson sparked the Elba rally, while Easton McKelvy doubled and Brady Johnson reached on a walk to load the bases with no outs. Powell Bane delivered a two-run double to get the Tigers on the board, Skylar Mitchell added a two-run triple, and Mitchell later scored on an rbi single by Jaden Baker as the Tigers caught the Bulldogs.

Brantley took advantage of a walk and an error to slip ahead 7-6 in the second, and then broke the game open in the third as a leadoff single by Whitehurst and two-run doubles by Cooper Layton and Kilpatrick helped the Bulldogs plate eight runs as they moved on top 15-6. Elba scored two runs in the bottom of the fourth to pull within 15-8 as Hakeem Scott and Mitchell both singled and came around to score on a

In the nightcap, the Tigers battled for four innings, only to see the wheels fall of the wagon in the fifth as they allowed 11 runs and lost 19-2.

Brantley opened the top of the first inning with a walk and a hit batter to put runners on base, with key hits in the seven-run

Elba got on the scoreboard in the third and pulled within 8-2 when Johnathan Edwards led off with a double, Jay Wilson drew a one-out walk, and Brady Johnson drove both runners across the plate with a two-run double.

The Tigers stranded two runners on base in the fourth as they missed a chance to cut into the 8-2 deficit, but Brantley put any hopes of an Elba comeback to rest in the fifth as the Bulldogs scored 11 runs, sparked by two walks and four hit batters, as well as bases-loaded double by Cooper

Layton, and completed the two-game sweep with the 19-2 win.

Brady Johnson had 1 hit and 2 rbi's to lead Elba at the plate, while Johnathan Edwards added 1 hit and scored 1 run, and Jay Wilson scored 1 run. Three Elba pitchers combined to pitch five innings and allowed 17 earned runs on 14 hits, three walks and seven hit batters.

Elba Lady Tigers drop four straight in Andalusia tourney

The Elba Lady Tigers competed in the Andalusia Spring Fling softball tournament last weekend and lost all four games as their record slipped to 4-9 on the season.

The Lady Tigers ran into defending 2A state champion Wicksburg in the first game of pool play and fell behind early and never recovered in a 12-0 loss. Kaleigh Russell, Ana Caldwell and Hillary Hudson all had 1 hit to lead Elba at the plate, while Ayrika Caldwell pitched three and one-third innings and allowed two earned runs on four hits and nine walks.

The Lady Tigers saw an early 5-1 lead evaporate in an 11-7 pool play loss to Straughn. A one-out single by Ayrika Caldwell sparked a 5-run first inning for Elba, while Hillary Hudson and Lady Stinson delivered back-to-back doubles and Payton Parks and A'Lyric Whitfield came through with rbi singles to put the Lady Tigers on top early, only to see the lead slip away in the loss. Ayrika Caldwell had 2 hits and scored 2 runs and Taylor Day added 2 hits and scored 1 run to lead Elba at the plate, while Lady Stinson and Payton Parks both added 1 hit and 1 rbi, and Ana Caldwell, Kaleigh Russell and A'Lyric Whitfield all added 1 hit and 1 rbi. Mary O'Neal pitched four innings and allowed one earned run on 11 hits, with two strikeouts.

The Lady Tigers closed out pool play with a 12-3 loss to the Kinston Lady Bulldogs, in a game in which Elba fell behind 9-0 early and saw a late rally fall short. Payton Parks had 2 hits and 1 rbi to lead Elba at the plate, while Kaleigh Russell added 1 hit and 1 rbi, A'Lyric Whitfield added 1 hit and scored 1 run, and Mary O'Neal added 1 hit. Ayrika Caldwell pitched three innings and allowed nine earned runs on eight hits and four walks.

The Elba Lady Tigers picked up a pair of much needed area wins last Monday afternoon with a 17-0, 21-2 doubleheader sweep over the Georgiana Lady Panthers, in Elba.

In the opening 17-0 win, the Lady Tigers used a 13-0 first inning explosion to take command and never looked back to post the lopsided victory. A leadoff walk to Kaleigh Russell ignited the opening inning fireworks, while Ayrika Caldwell added an rbi single, Mary O'Neal ripped an rbi triple and Ana Caldwell also had an rbi triple as Elba took advantage of a five-batter stretch of two hit batters and three walks to open up the big 13-0 lead.

A leadoff walk to Taylor Day got the second inning started, and after Russell and Caldwell were both hit by a pitch, O'Neal blasted a bases-loaded triple as the Lady Tigers circled the bases and posted the game one win by a 17-0 score.

Mary O'Neal had 3 hits, scored 2 runs and had 3 rbi's to lead Elba at the plate, while Ayrika Caldwell added 2 hits, scored 3 runs and had 2 rbi's; Ana Caldwell added 1 hit and scored 3 runs; Payton Parks added 1 hit and scored 1

One thing that amazes me and shows we have a bright future is the fact that aside from a few juniors and one senior, and all the personal bests were achieved by athletes in the tenth grade and below. Spring break will allow our athletes to heal, recover and refresh for the home stretch as we head toward sectionals. I

Elba Lady Tigers fall 3-2

The Elba Lady Tigers stranded nine runners on base last Tuesday afternoon in a disappointing 3-2 loss to the Geneva County Lady Bulldogs, in Hartford.

The Lady Tigers got a hint of possible things to come in the top of the first inning when Ayrika Caldwell ripped a one-out triple and was left on base, but did get on the scoreboard in the second when Ana Caldwell hit a leadoff double, stole third and scored on a wild pitch to pull Elba even at 1-0.

Ayrika Caldwell hit her second triple of the game in the top of the third and scored on an rbi double by Ana Caldwell to push the lead to 2-1. However, the Lady Tigers stranded two more runners on base, and watched in the bottom of the inning as Geneva County combined two walks and an error to plate two runs to take a 3-2 lead.

Elba had scoring opportunities in both the fourth and fifth after hits

by Taylor Day and Kaleigh Russell, but neither player reached the plate and heading into the sixth the Lady Tigers were still behind 3-2.

Elba's Mary O'Neal and Ana Caldwell both doubled to open the sixth to put runners on second and third with no outs, but the Lady Tigers again failed to cash in the scoring opportunity, and in the seventh Elba put runners on first and second after a bunt single by A'Lyric Whitfield and an intentional walk to Ayrika Caldwell. However, the results were the same as Elba left both runners on base and suffered the 3-2 road loss.

Ana Caldwell had three doubles, scored 1 run and had 1 rbi to lead Elba, while Ayrika Caldwell has two triples, and Kaleigh Russell, Mary O'Neal and A'Lyric Whitfield all added 1 hit. Ayrika Caldwell pitched a six-inning no-hitter with 14 strikeouts, but issued seven walks.
